REVIEWS

"The historian, Vibe Termansen, has written an enlightening and exciting book in which she tells the story behind the Cold War in an accessible language. The book's graphic expression is fantastic. Mikkel Henssel's illustrations transport the reader back in time, both in terms of form and colour. It is a big assignment to write historically about such a complex subject and it demands naturally that you prioritize and exclude certain subjects . Vibe Termansen succeeds in this regard. However, it does make me wonder why for example Reagan's role in the culmination phase of the Cold War is one of these exclusions." – (Lektørdtalelse (Library review))

"Excellently told. And just as excellently illustrated." – (Six stars in the *Pædagogen* (The Pedagogue magazine))
