## Book of Farts: an Encyclopaedia of Farts

### Pruttebogen: leksikon over fimser

A funny and informative picture book with brilliant illustrations by Maria Buchmann. Sold in translation to Korean, Poland and Norway.

**Stine Dreyer** and **Hannah Dreyer** are the mother/daughter duo who let their imagination run free and created an encyclopedia of 23 different types of farts.

## SYNOPSIS

*Everybody farts! Even Queen Elizabeth and Justin Bieber. You probably know farts best from yourself, your family, and your friends. But how does a fart become a fart?*

This is exactly what mother/daughter duo, Stine and Hannah Dreyer set out to examine and they have developed their own *Fartotology*, the teaching of farts and how they develop.

Some farts are noisy, some a completely silent - and all research shows that loud farts smell less whereas silent farts smell of death and destruction. You choose freely between pest or cholera: do you want to hold the fart back and risk that it develops into a *Silent Stinker*? Or do you prefer to release the *Firecracker*?

Something all farts have in common is that they are funny, even if they appear at the worst possible moments: in class, in the middle of a good game, during dinner.

This book invites curious children and their parents to talk about shared experiences with different fart types, including the *Bubbler*, the *Firecracker*, the *Horror Honk* and the *Serial Fart*.
