SYNOPSIS

Charlie the Motorcycle loves to cruise without a destination in mind – just him and the road. He likes that much better than going to the garage for check-ups. One day his motor stops running when he is in the middle of nowhere with only cows in sight.

But then Britt appears out of the blue – she is a pretty gorgeous motorcycle, yellow and shiny and newly MOTed. She takes him along to her good friend, the mechanic. And he is a brilliant person to know, because it can be hard to tell if your clutch is out of order or if you just simply need a bit of loving oil...
