REVIEWS

"EAGLE is about family, friendship and first love and it is one of those amazing books that everyone can get something out of. It is a really gorgeously illustrated tale, and with its 842 pages it is apparently one of the longest graphic novels ever in Denmark. However, you should not be put off by the epic format, because the book is more show than tell, with relatively little text in the form of direct speech and sound words. It makes the book very easy to read, without compromising on the exciting and dramatic plot." – (Litteratursiden (The Literature Page))

"Jeppe Sandholt has written and illustrated a tribute to imagination in all its complex variations. It is humorous, touching, and strikingly original. When you have an eagle as your confidant, you're never alone. A modern fable cast into a fragmented, pixelated, and nearly (de)constructed world, where the animal still helps us understand ourselves and one another. The animal goes – or flies – its own way, just like Jeppe Sandholt does himself. In doing so, he sticks to precise storytelling and his own determination, with a visionary agenda: never to forget
