Alting begynder et sted

Tomas Lagermand Lundme writes engagingly about first love and LGBT issues.

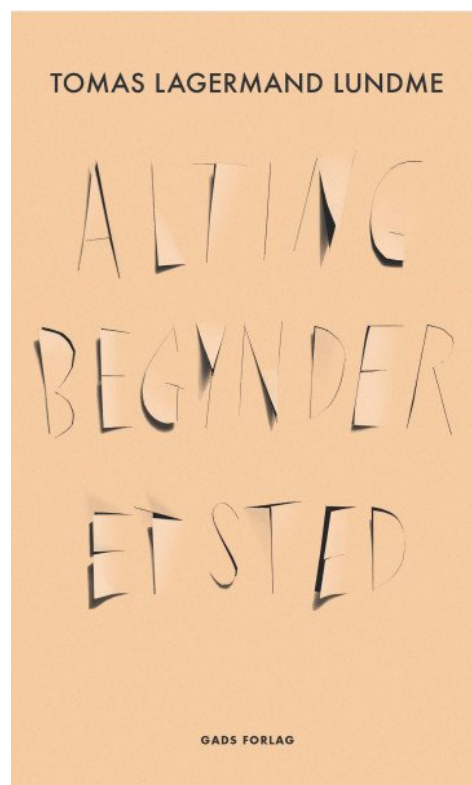

SYNOPSIS

It's difficult to have a cousin who is into punk, detest anything to do with pop and wants you to wear eyeliner. Especially when you are in love with Justin Bieber. And with Henry from the estate - and with the new boy in class. It makes it difficult to choose. It is also difficult with all the text messages, and the thought that Luna might know something.

It is on the other hand not difficult to hide the marks on the hands. Neither his mom, nor his little brother's father notice those.

A YA novel about secrets, longing and about finding your own identity.

Included in White Raven 2023.
