

Inger Tobiasen

Fanni and her naughty scissors

Fanni og hendes frække saks

Playful series about the creative little girl, Fanni, who uses her skills and imagination to build adventures and new friends out of materials, such as beads, thread, playdough, and sand. Aimed at 2-6 year-olds.

Inger Tobiasen is one of the best-known Danish illustrators of children's books – with her recognisable style, she catches the sentiments of children beautifully and she has provided artwork for many books, also by other authors.

SYNOPSIS

Fanni's naughty scissors cut through everything, until she gets upset with it and tie a string around its greedy snout. But then she discovers that all the things the scissors has cut through can be recycled to make up something fun.

The book is part of a series of five books where Inger Tobiasen mixes illustration and photography to create a playful, creative feeling.
