Fanni makes a bead giraffe

Fanni laver en perlegiraf

Playful series about the creative little girl, Fanni, who uses her skills and imagination to build adventures and new friends out of materials, such as beads, thread, playdough, and sand. Aimed at 2-6 year-olds.

Inger Tobiasen is one of the best-known Danish illustrators of children's books – with her recognisable style, she catches the sentiments of children beautifully and she has provided artwork for many books, also by other authors.

SYNOPSIS

Fanni is great at making bead figures. She creates a giraffe that grows bigger and bigger and in the end grows almost into Heaven where angels chill on a cloud.

The book is part of a series of five books where Inger Tobiasen mixes illustration and photography to create a playful, creative feeling.
