SYNOPSIS

Fanni paints the sky blue and with white clouds on it. She climbs up, to sit on the cloud, sits there until it starts raining and the blue colour disappears and makes the white cloud invisible. She is falling. The sky and the rain have turned into a lake, big and deep, and Fanni dives down to the bottom of the deep water and finds her paint roller. Now she can paint the sky blue again.

REVIEWS

"A reader reported that her 5-year-old child suffers from high-functioning autism. This is the first time he has read a book in its entirety and read 5 titles at a time. Our editor felt sincerely happy. Thank you very much for your creativity and work. Somewhere in the world, there is a child who is happy because of reading your series. It is a very remarkable achievement." – (Note to the author from her Chinese publisher: Beijing Yutian Hanfeng Book Co., Ltd)
