SYNOPSIS

Everything is grey and sad when it rains. Fanni is annoyed at everything and she has forgotten the elephant out in the rain. She opens up her big umbrella and goes out, and now she discovers how fun it is to splash in the puddles and hear the rain drumming on the umbrella. And then the sky becomes light and the rain stops and the world becomes full of colours.

REVIEWS

"A reader reported that her 5-year-old child suffers from high-functioning autism. This is the first time he has read a book in its entirety and read 5 titles at a time. Our editor felt sincerely happy. Thank you very much for your creativity and work. Somewhere in the world, there is a child who is happy because of reading your series. It is a very remarkable achievement." – (Note to the author from her Chinese publisher: Beijing Yutian Hanfeng Book Co., Ltd)
