Forglem mig ej: Rosenholm trilogien (2)

Forget Me Not is the much awaited second novel in the bestselling series about the girls at Rosenholm.

Gry Kappel Jensen is the author of the bestselling YA fantasy series, *Rosenholm*, published in Germany, Italy, Poland and US.

SYNOPSIS

You should never make a promise to a Spirit. And if you do, then you have to keep your promise. Before it's too late...

Kamille, Kirstine, Victoria and Malou are back at Rosenholm Boarding School to start the new school year. But apart from the classes in Rune Magic, Clairvoyance and Nordic Mythology, the girls have something completely different to worry about. A crime from the past is intricately connected to the present and the girls have vowed to solve the murder mystery, which casts its shade on present-day Rosenholm.

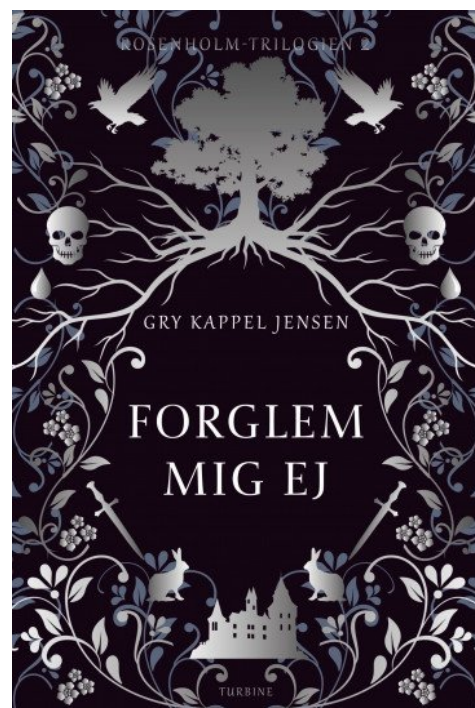

A scary divination brings the seriousness of the situation home to them, while the questions keep piling up. On top of that, each of them carries a deep secret that threatens to tear them apart, before they are able to keep the promise they have given. Time is running out and the ending might be fatal.

Forget Me Not is the exciting sequel to the fantasy novel *Roses & Violets*.

REVIEWS

"Kappel is razor sharp... the Rosewood trilogy is – to cut to the chase – formidable and it gets my warmest recommendation. Volume 2 has hardly hit the shelves in the book shops, but I am already screaming to see the culmination. This is a series that will thrill readers in the age group 13-14" – (*Bibliotekattens Bøger* (well-known Danish librarian blogger))

"I can only say, you have something to look forward to. Gry Kappel Jensen continues her series at the same high level and with even more suspense and drama" – (*Bookblogger.dk*)
