Kyle's New Bike

Kalles nye cykel

The books about the little monkey, Kyle, and his good friend, Giraffe, are for children aged 2 - 4 years. The focal point is friendship and there is plenty of humour in both the text and illustrations.

Jørgen Stamp (b. 1969) is a Danish graphic designer and author/illustrator.

SYNOPSIS

Like most children, Kyle likes to do his own thing and often (at the beginning of the stories) prefers to manage everything himself. But he soon realises that it's much more fun to be with others. In the Kyle and Giraffe books, there is always a good solution to the dilemmas and conflicts that inevitably arise between friends from time to time.

The text is rich in dialogue and the illustrations are full of fun details and side stories.

Kyle has a nice new green bike. 'Can I try it out?' asks Giraffe. 'No, not right now,' says Kyle, 'because I'm actually going for a long bike ride'
