## Max and Meta: The Moon

### Max og Meta: Månen

The *Max and Meta* series is a vibrant new series for children about scientific phenomena - a series where children's curiosity for our wonderful natural world is at the centre. Aimed at 6+, each book covers a new topic, such as gravity, colours, time and atoms. *The Moon* is the first book in the series, comprising seven books.

**Troels Gollander** is one of Denmark's most popular writers of science literature for children and young adults,

**Lars-Ole Nejstgaard** is a cartoonist and illustrator of children's books, several of which have been adapted for film.

### SYNOPSIS

Max and Meta explore the natural world around them with curiosity. Meta has a magic power: when she snaps her fingers, she can transport her and her friend, Max, to new places. In the first book, they land on the moon.

### REVIEWS

"The cartoon style and the topic conveyed through the dialogue between Max and Meta work in a compelling way. The level is accessible, and the few cherry-picked facts, wrapped in a funny story, work as a lever to further literature on the topic." – (Library Review (Lektørdtalelse))

"A wonderful new series, which merges fiction and non-fiction and presents scientific phenomena in an inspiring and curious way." – (School Start Magazine (Skolestart))
