Max and Meta: The Moon

Max og Meta: Månen

The *Max and Meta* series is a vibrant new series for children about scientific phenomena - a series where children's curiosity for our wonderful natural world is at the centre. Aimed at 6+, each book covers a new topic, such as gravity, colours, time and atoms. *The Moon* is the first book in the series, comprising seven books.

Troels Gollander is one of Denmark's most popular writers of science literature for children and young adults,

Lars-Ole Nejstgaard is a cartoonist and illustrator of children's books, several of which have been adapted for film.

SYNOPSIS

Max and Meta explore the natural world around them with curiosity. Meta has a magic power: when she snaps her fingers, she can transport her and her friend, Max, to new places. In the first book, they land on the moon.

REVIEWS

"The cartoon style and the topic conveyed through the dialogue between Max and Meta work in a compelling way. The level is accessible, and the few cherry-picked facts, wrapped in a funny story, work as a lever to further literature on the topic." – (Library Review (Lektørdtalelse))

"A wonderful new series, which merges fiction and non-fiction and presents scientific phenomena in an inspiring and curious way." – (School Start Magazine (Skolestart))
