SYNOPSIS

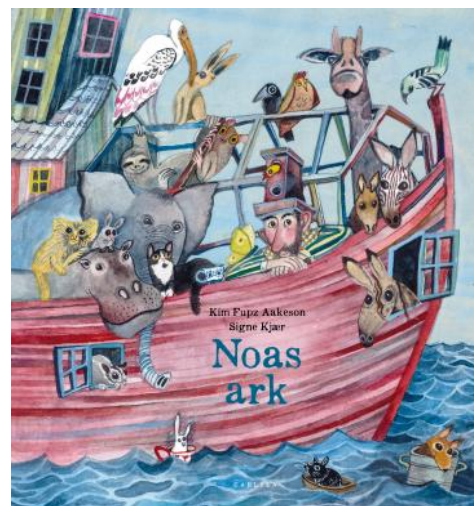

God created man, but people are people, and they don't always behave as they should. Really, they don't. One brother killed another brother, others argued, gossiped and lied, they tricked each other, drank and fought and forgot all about love for their neighbours.

"Enough is enough", God thundered at last. I regret having created man, I will drown them all and start over!

But there was Noah and his wife Emzara and their sons and their sons' wives, they were actually good and decent people ...

With humor and linguistic prowess, Kim Fupz Aakeson retells one of the most famous stories from the Bible.

With beautiful illustrations by Signe Kjær.
