SYNOPSIS

Sally is fed up with being a child. You always have to do something boring and the adults make all the decisions. Sally's dad on the other hand has had enough of being an adult. They promptly decide to swap for the day: Sally will be the grown-up decision-maker and Sally's dad will be the care-free child. Sally has to pick up dad at work, do the shopping and cook for the family. Sally's dad has to go to bed early. It turns out to be the weirdest day ever.
