Sausage does not want to eat Supper

Pølse vil ikke spise aftensmad (I)

There is a lot of things that Sausage doesn't want and Dad is quite frankly finding it a bit confusing. But, magically, they always end up finding a way to agree.

Oliver Zahle has written a charming picture book series about a little hard-nosed girl and her quirky Dad that is bound to make both parent and child laugh.

Siri Melchior has already proved that her illustration style travels, her books having been published in Germany and Spain.

SYNOPSIS

Sausage would rather eat sweets, than her dinner. Dad says ok, but only on the condition that she eats nothing but sweets for the rest of the weekend. Sausage finds this really fantastic. But is it, really?

The *Sausage* series is a cute story about a little girl and her Dad; about the navigation of personalities, about the negotiation of values, all done tongue-in-cheek to ensure that both child and adult will get a laugh.
