Silent Worlds (2) The False Lives

Tavse verdener (2) De falske liv

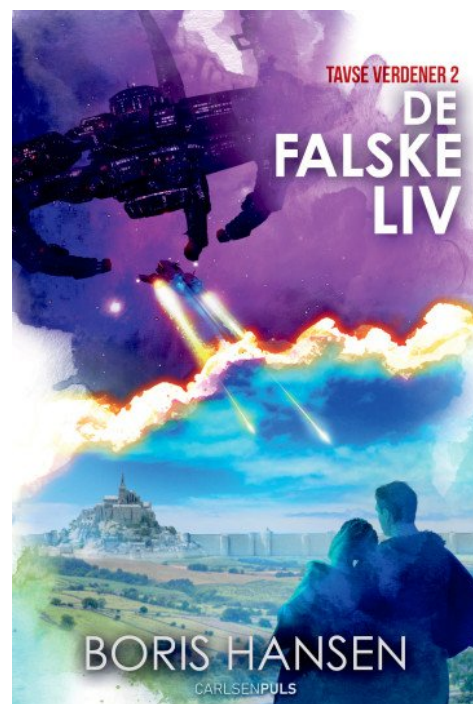

Silent Worlds is an ambitious techno-thriller about fictional realities - and about technology that can change people. There are a total of four books in the series and *The False Lives* is the first installment.

Boris Hansen (b. 1981) is award-winning Danish writer of fantasy and sci-fi.

SYNOPSIS

Inception meets *Blade Runner* in Boris Hansen's sci-fi fantasy thriller, set in a near future where you can travel into books as if they were physical realities - and change them from the inside.

In *The False Lives*, the line between reality and fiction is blurring. Olivia Alby and her team search across worlds to solve the mystery of a mission gone wrong with impossible consequences - all while being haunted by the secrets of the past and a fictional killer who has escaped into reality.
