Silent Worlds (4) The Day the Stories End

**Tavse verdener (4) Den
dag historierne ender**

Silent Worlds is an ambitious techno-thriller about fictional realities - and about technology that can change people. There are a total of four books in the series and *The Day the Stories End* is the fourth installment. Book two and three have won the *Best Fantasy Novel of the Year*, in 2023 and 2024 respectively.

Boris Hansen (b. 1981) is award-winning Danish writer of fantasy and sci-fi and script writer on the much-anticipated new game, *Out of Words* (Epic Games, 2026 release).

SYNOPSIS

Inception meets *Blade Runner* in Boris Hansen's sci-fi fantasy thriller, about a team of agents tasked with solving a mystery from the world of books that suddenly finds its way into reality and threatens to turn the world as we know it upside down.

In the fourth and final volume of the *Silent Worlds* series, Olivia finally realises the full extent of cult leader Elsa Kavanaugh's plans for fiction technology - and Olivia's only weapon in the battle for the future of humanity and fiction is a desperate plan that demands more of her team than ever before, and could end up costing her everything.
