### **SYNOPSIS**

John Kenn Mortensen has done it again! Drawn over 100 new monsters on post-it notes. It started in 2012 with STICKY MONSTERS and MORE STICKY MONSTERS. In STICKY MONSTERS III, each section on the book has a short text, such as "An open eye for love" or "Some books are never read to the end".

### **REVIEWS**

"Mortensen's drawings are quite wonderful. The yellow sticky canvas is transformed, the monsters come to life, each with their own personality. And oh, how many monsters and so many types: forest monsters, ghouls, ghost monsters, continental monsters, furry monsters, twin monsters, tentacled monsters, fish monsters, invisible monsters and a single human monster .... It is an incredibly fine concept. Each one completely individual and irrepressible. The monsters are cute at the same time as sinister, and often have a slightly Victorian vibe – tentacles and tweed." – (Naked Literature Magazine)

"I've probably already seen more monsters than most do in their whole life, but I'm still none the wiser as to why some monsters work and others don't. I know even less about why certain monsters push a special button at the back of my brain, evoking all kinds of half-forgotten dreams and feverish imaginings from my earliest childhood. What I do know is that John's monsters absolutely hit the spot." – (Geek Culture)
