

John Kenn
Mortensen

Sticky Monsters

Post-it monsters

In the vein of the great Edward Gorey and Maurice Sendak's *Where The Wild Things Are*, an irresistible little book of monster drawings, all on post-it notes.

John Kenn Mortensen, the Danish cult illustrator, celebrated by fans around the world for his incredibly detailed illustrations of monsters.

SYNOPSIS

John Kenn Mortensen's debut, *Sticky Monsters*, is a lovely wordless hardback edition, which has become a bestseller over the years and helped develop his cult following around the world.

John's pen is full of wonderfully creepy monsters which crawl onto sticky yellow note pads when darkness falls.

There are two further editions in the same vein; *More Sticky Monsters* and *Sticky Monsters III*, the latter on black pages and with short descriptions here and there.

REVIEWS

"I've probably already seen more monsters than most do in their whole life, but I'm still none the wiser as to why some monsters work and others don't. [...] What I do know is that John's monsters absolutely hit the spot." – (*Geek Culture*)
