SYNOPSIS

The summer holiday is coming up, and Rasmus and Xander are busy organizing Xander's 13th birthday party. Xander will soon be moving back to Spain, and the two friends try to make the most of their remaining time together.

But then Rasmus receives a mysterious message: "*I know your secret*", and soon after chaos breaks out at the school. It seems that there is a connection between the accidents in Southerndale and the parallel world Erytnevia.

The questions pile up: Who wrote the message? Why is the nanny, Rosita, acting so strange? What has happened in Erytnevia after they went back? And what is the mystery behind Rasmus' past?

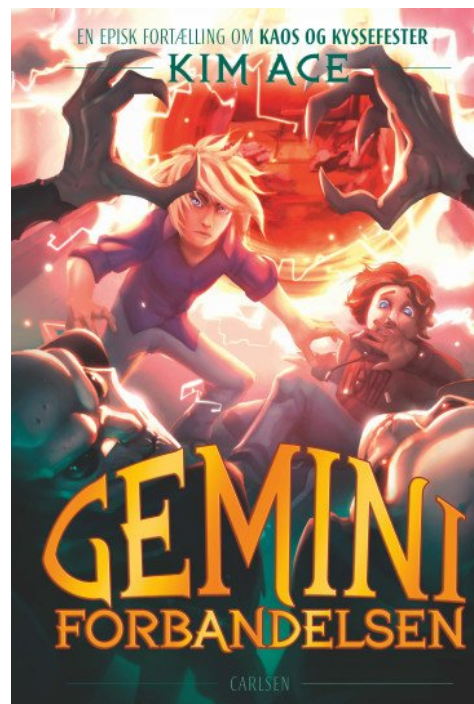

The situation goes from bad to catastrophic when it turns out that Rasmus and Xander are no longer safe in their own world.

The first book won the **Orla Prize 2021** (the children's own literature prize).
