

Nicole Boyle Rødtnes **The Red Widow's Promise**

Den røde enkes løfte

The Red Widow's Promise is the third and final book in a dramatic dystopian YA trilogy set in the city of Viduana.

Nicole Boyle Rødtnes (born 1985) is a popular Danish children's book and YA writer

SYNOPSIS

In the city of Viduana, men and woman live strictly separated. The black widow is tightening her grip and the anger is increasing on the men's side. A rebellion is imminent...

The men in Viduana are on the brink of a meltdown and a rebellion is brewing. The anger is growing explosively and anger gives courage... but is there enough courage to overthrow the widows once and for all?

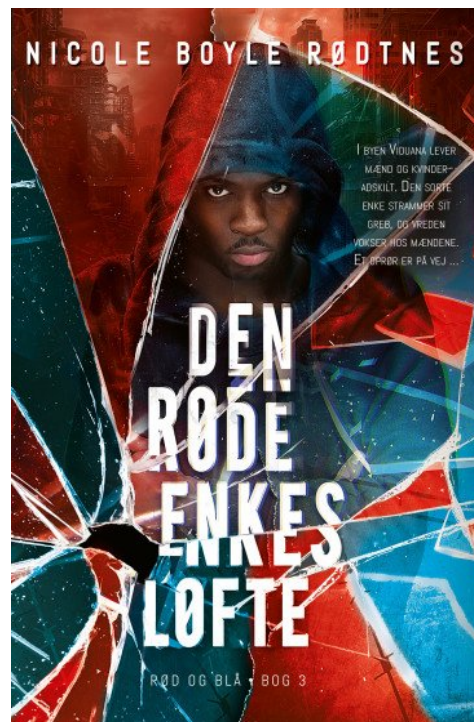

We continue to follow the three main characters:

Clara is in great danger outside the city walls and needs to fight to survive. The black widow has forced her into exile and has taken her daughter.

Silas mourns Samuel's gruesome death and works on finishing a tunnel out of the city, so he can escape with his family.

Elias travels to Xian with a plan to smuggle weapons into Viduana for the coming rebellion.

Welcome to Viduana where love is forbidden and every attempt to escape is punished with death.
