Sticky Monsters III

Klæbemonstre III

The third installment in John Kenn Mortensen's STICKY MONSTERS series, including over hundred new monsters drawn on post-it notes.

John Kenn Mortensen, the Danish cult illustrator, celebrated by fans around the world for his incredibly detailed illustrations of monsters.

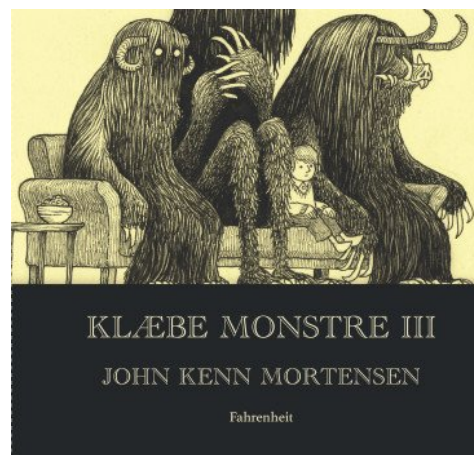

SYNOPSIS

John Kenn Mortensen has done it again! Drawn over 100 new monsters on post-it notes. It started in 2012 with STICKY MONSTERS and MORE STICKY MONSTERS. In STICKY MONSTERS III, each section on the book has a short text, such as "An open eye for love" or "Some books are never read to the end".

REVIEWS

"Mortensen's drawings are quite wonderful. The yellow sticky canvas is transformed, the monsters come to life, each with their own personality. And oh, how many monsters and so many types: forest monsters, ghouls, ghost monsters, continental monsters, furry monsters, twin monsters, tentacled monsters, fish monsters, invisible monsters and a single human monster It is an incredibly fine concept. Each one completely individual and irrepressible. The monsters are cute at the same time as sinister, and often have a slightly Victorian vibe – tentacles and tweed." – (Naked Literature Magazine)

"I've probably already seen more monsters than most do in their whole life, but I'm still none the wiser as to why some monsters work and others don't. I know even less about why certain monsters push a special button at the back of my brain, evoking all kinds of half-forgotten dreams and feverish imaginings from my earliest childhood. What I do know is that John's monsters absolutely hit the spot." – (Geek Culture)

Line Malling Schmidt is a Danish author and illustrator of children's books.

SYNOPSIS

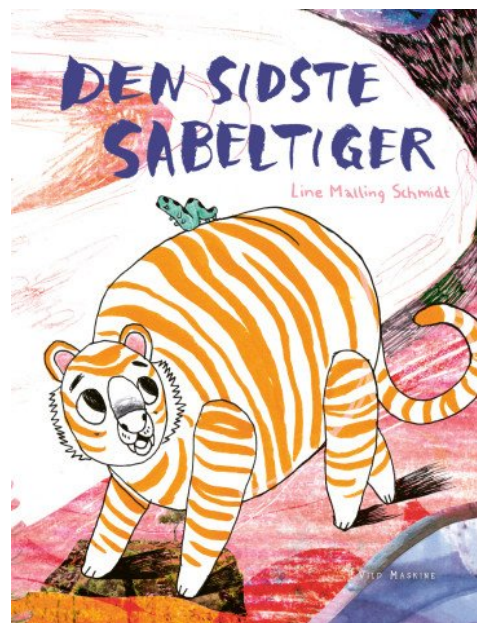

The smilodon sleeps in its den, but wakes up when a natural disaster hits the earth. It is alone and can't find its family. Luckily, it meets the caterpillar, who has a bright outlook on life and always has a cheeky quip. Together they set out to search for smilodon's relatives, even though the caterpillar has problems of its own.

Along the way, not just one, but two miracles happen.

REVIEWS

"A tribute to nature's ability to survive, but also to imagination and the imaginary power of the child... The Smilodon is brightly coloured, almost screaming in its choice of colours ... a slightly old-fashioned and very endearing artwork style ... Schmidt's [...] images of animals and landscapes are fascinating. The seriousness is countered by the playful style" – (Weekendavisen)

"An imaginative and very atmospheric tale ... The dialogue between the caterpillar and the smilodon is humorous and the illustrations are very special." – (Dansk Bibliotekscenter, Danish Library Centre)

Jeppe Sandholt

Eagle

Ørn

An epic coming-of-age novel in the graphic novel format - full of heart, soul and humour. A total page-turner in a very accessible language.

Jeppe Sandholt (b. 1982) is a Danish animator and illustrator with a Bachelor of Arts in Character Animation from The Animation Workshop, Viborg, Denmark.

SYNOPSIS

Thor is a soft-spoken boy with an over-powering father. He is quite lonely and usually lets others take the lead. At school he is an easy target for the bullies. That all changes one day when he finds an eaglet, who is dependent on him to survive. Now, Thor gets to be in charge for a change. But eagles are not so easy to tame...

Winner of the Danish comic book prize, the Ping Prize 2024, in the category "Best children's book comic".

Nominated for the Nordic Council Children and Young People's Literature Prize 2025.

Film Rights are under option with *First Lady Film*.

REVIEWS

"EAGLE is about family, friendship and first love and it is one of those amazing books that everyone can get something out of. It is a really gorgeously illustrated tale, and with its 842 pages it is apparently one of the longest graphic novels ever in Denmark. However, you should not be put off by the epic format, because the book is more show than tell, with relatively little text in the form of direct speech and sound words. It makes the book very easy to read, without compromising on the exciting and dramatic plot." – (Litteratursiden (The Literature Page))

"Jeppe Sandholt has written and illustrated a tribute to imagination in all its complex variations. It is humorous, touching, and strikingly original. When you have an eagle as your confidant, you're never alone. A modern fable cast into a fragmented, pixelated, and nearly (de)constructed world, where the animal still helps us understand ourselves and one another. The animal goes – or flies – its own way, just like Jeppe Sandholt does himself. In doing so, he sticks to precise storytelling and his own determination, with a visionary agenda: never to forget the untamed in the midst of the streamlined." – (The Nordic Literature Council)

"Menzione Speciale" of the Bologna Ragazzi Award 2025 in the category "Comics Middle-Grade"

Shortlisted for the Danish Cultural Ministry's Children's Book Writer of the Year 2024 Award.

REVIEWS

"This unique and thought-provoking comic book masterfully blends humor and sincerity to explore the concept of death for young readers. The story follows Dea, whose hamster, Kurt, has been flattened in a bicycle accident. While Dea hopes Kurt is still alive, her friend Sven remains doubtful. Their search for answers leads them to a cemetery, where they meet a mysterious man—also named Kurt—who shares fascinating stories about the lives and deaths of various animals. The playful yet expressive drawings and witty dialogue lighten the weight of the topics, adding a touch of absurdity. This reinforces the book's

"It's creative, it's inspiring and at the same time very beautiful and complete." – (Pio (online newspaper))
